The Children's Workshop At Grant Street

We are excited to start our summer here at Grant Street! This summer program is developed for two and half to four year olds. All activities have been designed to ensure that your preschooler, "Busy Bee" has an unforgettable summer.

Summer will officially start Monday, June 4th. Campers should check the camp events calendar for extra needed items such as a bathing suit, towel, and water shoes for water day. Personal items should be labeled with your child's name and special or valuable items should be left at home. The Children's Workshop will not be responsible for lost or damaged personal items.

Water play will be every Thursday morning. Be sure to bring a bathing suit, water shoes and a towel. It is very important that your child's belongings are labeled with his or her name to help minimize any confusion.

Flyers will be sent home to keep you posted throughout the summer. We hope you are as excited about our summer program as we are! If you have any questions please do not hesitate to call or email me at kathy.pinnell@childrens-workshop.com.
