

Spring Creek & The Children's Workshop Present

Explorer Camp 2012

Get ready for Spring Creek and The Children's Workshop summer camp. The program is geared towards providing fun, yet challenging activities, in a developmentally appropriate environment. The pace of activities for each camp is also designed to meet the needs and nurture the interest of children at different ages and stages of development.

Explorers are campers 8 years old to 12 years old. Trailblazers are campers who have completed kindergarten or first grade.

Our camp participates in the Child and Adult Care Food Program. This means that your child will receive nutritious meals when at camp. Please do not bring food to camp. We are a nut free facility.

What to bring to camp:

A water bottle or canteen that can be hooked on a belt or carried in a pack. Campers will be assigned a cubby to store belongings at the center. These are not secure, so do not bring important or valuable items to camp. **NO GAMEBOYS OR IPODS OR THE LIKE WILL BE ALLOWED.**

Campers should check the Event Calendar for extra needed items; socks for bowling, money, and supplies, should be marked with campers name.

All personal items should be labeled with your child's name and phone number. Non-essential items should be left at home. Spring Creek & The Children's Workshop are not responsible for lost or damaged personal items.

Skates, bikes and roller blades are occasionally needed. Please check your calendar. Helmets are encouraged. Campers should bring one change of clothes to keep in their cubby/locker for the extent of camp.
