

The Children's Workshop At Grant Street

WELCOME TO THE SUNSHINE GANG 2012 SUMMER CAMP!

We are excited about our summer program here at Grant Street! This program is specifically designed for four to five year olds. All field trips and activities have been developed to ensure that your child has an unforgettable summer. Enclosed you will find information regarding our summer program.

Summer will officially start Monday, June 4th. Field trips have been planned for every Friday. Campers should check the camp events calendar for extra needed items such as a bathing suit, towel, and water shoes for water day. Personal items should be labeled with your child's name and special or valuable items should be left at home. The Children's Workshop will not be responsible or lost or damaged personal items.

If your child participates in our half day program, it is necessary that special attention be paid to our field trip days. Special transportation will not be provided, although you are welcome to catch up with the group. Be sure to speak with your child's camp leader.

The Children's Workshop At Grant Street

All field trips are local and we need 25-30 minutes to get to our destination. Please note most trips leave at 9:30 am, and it is important to remember that we will not wait for anyone that is running behind. If you need to meet us at any activity please call to let us know so we can adjust our class count.

The Children's Workshop has an outstanding reputation in our community for excellent behavior on field trips, and we are looking forward to another great summer. If a child is having behavioral problems, and we do not see a vast improvement in behavior, your child will not be allowed to attend the next event. If the class is already at an activity, the child will be removed from the activity immediately. We will contact parents about any behavior issues.

Flyers will be sent home to keep you posted throughout the summer. We hope you are as excited about our summer program as we are! If you have any questions please do not hesitate to call or email me at kathy.pinnell@childrens-workshop.com.

Frequently asked questions.....

What are the teacher's qualifications?

The Children's Workshop employs teachers that are state certified in early childhood education. They are certified in both CPR and First Aid and must attend at least 15 hours of training every year.

When is sunscreen applied?

We use Rocky Mountain Sunscreen Kids SPF 35. Sunscreen is applied 15-30 minutes before outside activities. We re-apply it throughout the day as needed.

What can I expect on my child's first day?

On your child's first day he/she will meet the teachers, and a cubby will be assigned for your child's extra clothing, coat, artwork, and papers. Your child will also be given special attention to make the transition from home to school as easy as possible. Remember, you may call anytime during the day to find out how your child is doing.
